ABCO's 5 year warranty

The following warranties of repairs for covered damage to a dwelling:

The Contactor identified on this estimate warrants for a period of five (5) years from the date of completion, that all workmanship of the Contractor and the subcontractors working on the property (1) will be performed in accordance with this estimate and any construction agreement with the insured, and (2) will be of good quality and free from any fault of defect, and (3) will be in compliance with all local and state building codes at that time.

This warranty excludes damage caused by normal wear and tear, improper maintenance, and/or abuse. Any Materials are covered by the manufacturers' warranties. The Contractor also warrants for a period of one year from the date of the insured's authorization to pay, that all materials and equipment furnished by it or the subcontractors in the above repairs will be new, of good quality, and free of defects. This warranty is limited to visible defects for materials and equipment furnished in the above repairs.
